The settlement reached between the Department of Justice and Microsoft is a disgrace. Microsoft committed crimes and their punishment is no punishment at all! How can I be proud to be an American under these conditions?

I take an active part in the education of my children. How do I explain to them that our country is based on law but that law does not apply to the wealthy - that our leaders are corrupt.

You're destroying MY country and it's heritage. I'm ashamed of the whole lot of you. You disgust me.
